CONTRACTING AUTHORITY CLARIFICATION NO.1

No.	Question	Answer
1	Do the supporting documents - evidence (BON-JN, references, census list) have to be translated into English or can be delivered in Serbian?	If the supporting documents are not written in one of the official languages of the European Union, a translation into the language of the procedure, English, must be attached.
2	Whether the documentation must be certified by a court interpreter?	The documentation does not need to be certified by a court interpreter
3	Do you need to provide proof of PVC carpentry and PVC profiles on offer?	You need to provide list of materials (in free form) with documentation to prove required technical specifications for proposed material
